**[Preparations duty of a rule and self-administration responsibility]**

1. I promise that I observance all an agreement / a rule / instructions and I pay the attention that is enough for safe management / health care in responsibility of individual and when I abnormality occurred in physical condition by any chance, I cancel a competition immediately and I understand these are based on the race performed using mountain natural environments.

**[Understanding race characteristic and participation fitness]**

2. I have enough trail running experience and I understand that the race performed in the natural environments that is easy to turn into, and physical condition of a contestant recognizes that there is a characteristic to suddenly change. Also I understand that it is very likely cause a delay in aid of emergency or correspondence due to variable nature condition of the race course. My state of health is good, and that I produce a problem is not expected for participation of the race at all now. Also I sail it up with in one year from the race day, I confirmed that I am healthy as a result of medical examination of a doctor. And I report to race organizer by letter beforehand if I have a things that I want to race medical to know for urgent medical care such as allergic predisposition, an idiosyncrasy such as hypersensitivity, or past illnesses, it by other reasons in religion. Further I report a medical examination report / a stress electrocardiogram certificate if race organizer request it.

**[Cancellation advice observance of the race and first aid]**

3. I accept the race cancellation advice of the race organizer when I am judged that there is a hindrance for the race continuation by the race. Also I consent to a doctor and the race organizer putting an emergency measure for me in case of a injury or an accident or sickness and do not make an objection against a method of the emergency measure and a result either

**[Immunity from responsibility of an injury / a death accident]**

4. I exempt from all of responsibility for a all person concerned with the race regardless of the cause in case of injured, or aftereffects based on these occurred, or died during the race or during an incidental event. Also I confirm and consent that compensation for me is in a range of accident insurance submitted to the race (see below). Therefore, I promise that I do not perform claim for payment, submission of suit and billing such as legal fees for them about all injury that I put on from neither such as myself, my executor, an administrator, an heir, close relatives.

**< Contract insurance of the race organizer >**

**The death, physical impediment 5,000,000 Yen / Hospitalization 3,000 Yen/Day / Outpatient treatment 2,000 Yen/Day**

**[Immunity from responsibility of an unavoidable matter]**

5. I promise that I do not investigate the responsibility and I do not perform billing of overheads (including an entry fee) that I needed for participation to the race for the race organizer at all in case of cancellation of the race by aggravation of a weather condition and the reason that competition environmental defectiveness should not come to responsibility of the race organizer, besides, in case of a hindrance produced it for the race or race participation by loss / damage of a competition tool and there was a change in competition contents.

**[Public information use and the commercial use such as rights of likeness]**

6. I approve that my portrait, full name, address, age, and athletic career is used in the whole public information thing and news / information media related to the race. Also accompany these, I consent these to the use of commerce by printed matter / a video / the information media which is produced by the race organizer or a jurisdiction competition group.
